Tips for Effective Lesson Planning:

- *Align objectives with curriculum requirements and student needs*
- *Plan for a variety of activities to maintain engagement*
- *Include both individual and collaborative learning opportunities when appropriate*
- *Build in regular checks for understanding*
- *Allow flexibility to respond to student needs during the session*

- *Consider the pace and timing of activities*
- *Plan meaningful homework that reinforces learning*
- *Complete the reflection section as soon as possible after the session*
